

Curriculum Vitae

MIROSLAVA STOLCOVA, MD

Personal

Full name: Miroslava Stolcova

Information

Education

Medical school: University of Florence, 2002-2008 (graduated on 22/09/2008 cum laude)

Cardiology residency: University of Florence, 2009-2014

Board certification: Italian board of Cardiology, 2014 (25/06/2014, cum laude)

Employment

- 12/2016 to present: Full time consultant in cardiology, Interventional Structural Cardiology unit, Heart and vessels department, Careggi University Hospital, Firenze

Post-graduate medical training

- Interventional cardiology unit, Careggi Hospital (head: Dr. Gennaro Santoro), University of Florence, Italy; 1/10/2011 – 30/3/2013 and 20/4/2013 - present.

Trained to perform coronary, renal and peripheral angiographies, diagnostic right heart catheterizations, non-complex PCIs with either femoral or radial approach and PFO occlusion.

Responsible for the TAVI-follow-up outpatient clinic.

- Catheterization laboratory (head: Dr. Guido Belli), Cardiology unit, Humanitas Gavazzeni Clinic, Bergamo, Italy; 31/3/2013 – 19/4/2013.

Performed 100 coronary angiographies and 30 PCIs as a first operator, mostly from radial approach.

- Cardiovascular diagnostic unit, Careggi Hospital (head: Dr. Fabio Mori), University of Florence, Italy; 10/9/2012 – present.

Performance and evaluation of transthoracic echocardiograms in a vast range of patients, even in complex valvular heart disease.

Basic trans-esophageal echocardiography performance and evaluation.

- Cardiology and heart-surgery intensive care unit (head: Dr. Serafina Valente), Careggi Hospital, University of Florence, Italy; 1/9/2010-30/9/2011.

- Department of cardiology, outpatient stress-testing laboratory, Careggi Hospital, University of Florence, Italy; 1/6/2010 – 31/8/2010.

- Department of cardiology and heart surgery, Careggi Hospital, University of Florence, Italy;

30/6/2009 – 30/5/2010.

License To Practice

March 2009 Full registration with a license to practice at the “Ordine Dei Medici, Provincia di Firenze”, registration number: 12780

Language skills

Slovak Mother tongue

Italian Spoken: excellent/ Written: excellent

English Spoken: excellent/ Written: excellent

German Spoken: scholastic/Written: scholastic

Congress participation & research

Participated on international congresses as presenter of:

“Percutaneous closure of a small mitralic paravalvular leak in a patient with significant haemolysis and a co-existent mechanical aortic valve” at CSI 2013, Frankfurt, Germany.

“Long term follow up of 134 patients with non valvular atrial fibrillation and contraindications to oral anticoagulation therapy, treated with the Ampatzer Cardiac Plug Device for left atrial appendage occlusion” at TCT 2013, San Francisco.

Participated as an investigator in multi center registry:

“LAAO-ACP multicenter study group.”

Scientific Publications in Peer Reviewed Journals
