CALL FOR ONE TECHNOLOGY EXPERT

BioRobotics Institute

Sant'Anna School for Advanced Studies – Pisa

Job Position

The Sant'Anna School for Advanced Studies announces a public selection call based on qualifications and competitive exams for recruiting one technology expert. The contract will run for 18 months, with placement in D grade, economic position D5, at the BioRobotics Institute of Sant'Anna School for Advanced Studies. This role will provide technical support to the project: *"BRIEF - Biorobotics Research and Innovation Engineering Facilities"*, funded through the National Recovery and Resilience Plan (PNRR), supported by the European NextGenerationEU programme.

Main duties and activities

As part of the project activities, the School needs a professional figure participating in the experimental and data analysis activities of the laboratories of WP3 (Biorobotics Science to Engineering Translation), with particular reference to the laboratories of the Translational Biomedical Sciences (N2 Laboratory - microneurography and microneurostimulation and CHRONO Laboratory - chronobiology of the brain-heart axis). The experimental and analysis activities, and discussion of the results, can also be carried out at laboratories of partner institutions of the School, under agreements, conventions or joint laboratories. Skills and knowledge of biophysical signal acquisition techniques are therefore required, through electrophysiology techniques such as microneurography.

Admission Requirements

Applicants must hold:

- Master's degree in Biomedical Engineering.
- At least two years (also if not continuous) of documented job experience in pertinent fields.
- Excellent knowledge of English and good knowledge of Italian.
- In order to work in Italy as public employees, non-EU citizens need a long-term residence permit or the status of refugee or otherwise in need of international protection, i.e. the subsidiary protection status pursuant to Legislative Decree n° 251/2007 or the status of family member of the holder of subsidiary protection status present in the Italian national territory pursuant to art. 22, paragraphs 2 and 3 of Legislative Decree n° 251/2007 (specifying in the application the relevant residence permit).
